SJCC ANNOUNCEMENTS

COMMUNITY WIDE ANNOUNCEMENTS

- Please let others who cannot come to Mass know that we still need their parish contributions. Finances are in dire straits.
- **All Souls Memorial Burse** For your contribution to the Memorials Fund of $25 or more, we will remember all your beloved dead during the first 2 weeks of November. Please send by mail, put in the collection, or hand carry their names on a piece of paper in a separate envelope marked "All Souls" with your donation to the office at St Joseph's. The deadline to have these into the office is October 28.
- We are looking for snow removal for South Fork, Del Norte, and Monte Vista. Please contact the office for details.
- We are back to full strength for all our Masses, 50 in the Holy Name of Mary and Saint Francis Jerome, 80 in St. Joseph, and 20 in Creede, South Fork, and Saguache.
- Fr. Albert was told on Wednesday by the Clinic that he never had COVID19! So he is cleared for ministry. In the meantime, we had St. Joseph's Church chemically sanitized for over a week.
- In all our parishes we wipe down pews, doors and other surfaces that people touch with a diluted bleach and water solution for your safety. Please always wear your masks to Mass, follow check in procedures, etc. This will keep the community safe from the possible infection. If you feel ill, or if you have travelled by air, please stay home for at least 14 days.
- Just because you don't come to Mass in the Church, it doesn't mean we can function without your contributions.
- **On a trial basis:** we are converting the Parking Lot Mass (Saturdays at 9:30 am) to a Seniors Mass (55 years old and up) inside the Church, beginning on November 31st. All Safe-distancing protocols will be followed.
