

# Special Announcement

The antiviral-antibacterial sanitizer will prevent us from using the church, or metering the offices until next Wednesday. Therefore, there will be no Masses at St. Joseph's this Sunday. If there is an emergency, you can contact us by phone or email as listed on the cover of the bulletin, or by clicking the contact us link on the website.

There will be Masses at Del Norte, Creede and South Fork for sure. Fr. Don should receive the results of his tests Wednesday or Thursday. Watch for further announcements regarding Sunday Masses at St. Francis Jerome depending on if Father Don is cleared from quarantine or not. Father Albert continues to improve with the aid of his medical therapy. Deacon Jerry has no symptoms and has his results coming today or tomorrow.

We continue to thank you for your prayers and ask you to keep on praying. God bless you all.
