COMMUNITY WIDE ANNOUNCEMENTS

- If you would like to become an Extraordinary Eucharistic Minister (EEM) there will be a training this Wednesday at 6:00 pm. Returning EEMs whose mandate has lapsed or run out must also come to be assured of continuing in your ministry.
- We are getting a modest response to our need of monitors to screen congregants before Masses. These persons can sign up to only help with funerals on weekdays, or at Sunday (and Saturday evening Masses. Call the office to join this effort to help stop the spread.
- We are still looking for snow removal for South Fork and Monte Vista. Please contact the office for details. If we cannot find someone to do this, we will have to cancel Masses at these churches on Snow Days.
- The Thanksgiving Day mass will be celebrated at the 9 am Mass on Thursday November 26th. The Food Blessing will take place on Wednesday November 25th after the 7:00 am Mass.
- Just because you don't come to Mass in the Church, it doesn't mean we can function without your contributions.
- **Concerned about COVID 19 Exposure?** Come to the Seniors Mass on Saturday at 9:30, for those 50 and up. Social Distancing protocols rigorously followed.
- **Advent is coming fast!** Except for December 8th, beginning December 1 we will add an hour of Confessions after the evening Masses on (5:30-6:30 pm) Tuesdays and Thursdays at St. Joseph's. There will be an extra opportunity Wednesday evenings during the evening bilingual adoration in Center. These extra hours will continue through December 18th.
- 2nd Collection Campaign for Human development November 22 changed to Covid relief collection. All monies collected will stay here in the Diocese.
- Religious Education English Language Parent Meetings have a time change to 6:30 pm. The Spanish-language Parent Meetings have been moved to the 2nd Thursday of the month at 6:30 pm.

FOR PARTICULAR COMMUNITIES

DEL NORTE

- We are still in urgent need of monitors to screen congregants before Funeral/Sunday Masses. Our current helpers are over extended and need some help with this ministry. If we cannot screen, we cannot have public Masses.
- Because of the lack of helpers for funeral Masses, until we can find some very conscientious person to do the COVID19 screening for Funerals at HNM, all Del Norte Funerals will be celebrated at St. Joseph's. The Sacristan for funerals is too busy to be able to do both jobs.

- We need someone to shovel snow away from the side doors and the front entry path for daily and weekend Masses.
- We have picked up one new monitor to screen congregants before Sunday and Funeral Masses. Our current helpers are over extended and need some help with this ministry. If we cannot screen, we cannot have public Masses. The sacristan is too busy before Mass to fill this ministry too.
